Todd Myers from our Denver office will be the RM. Todd's email is [t.myers@erllc.com](mailto:t.myers@erllc.com) and his phone number is 303 210 1945. The fence contractor is Joel Graham from Taylor Fence. His number is 719 542 5076. I will send Todd the Work Plan so he can see what is involved prior to the site visit. All of the signs, posts and hardware are in our Denver shop. If possible, I will make Rob Burch available as the foreman. Rob was intended as the foreman last year and has visited the site. He is with me now at Gold King and I will do what I can to free him for the site work. After the site visit on 10/14, Joel will be able to provide a revised price and give a better idea of when he can schedule us.

Matt – I could meet the contractor on Wednesday 10/14/15 at 1:00 pm at the site. Also, I need your ER's RM/Forman on site to discuss the needs for coordination and posting signs. Please confirm the date/time and names & phones of persons I expect to meet.

Thanks - Tien.

The fencer would really like to see the access routes as soon as possible to make commitments for scheduling and revised price. Any chance you could be available next week?

**Subject:** RE: Pueblo Fence schedule

Matt - Thanks.

Is Taylor Fence the same contractor you received bid last time? Go ahead book its schedule asap (possibly the week of Nov. 16 or first week of Dec. 2015? If you can). And you should plan your crew posting signs at the same dates. I will plan to have a site visit with him when the mob day comes close.

Let me know.

Thanks,

Tien

I talked to Joel (Taylor Fence) and they are currently booked 4-6 weeks out. If I remember correctly, that has been the case every time we contact them. He can look at access needs any time with a 1-day notice. Let me know what you would like to do, and I will assist.

Thanks

Matt Francis
